

## Scott Newton Smith Bio and Pictures Download

Scott Newton Smith has been traveling in itinerant preaching ministry for nearly 30 years. Scott speaks to thousands every year on topics relevant to leaping forward in the effectiveness as followers of Christ as well as clear presentations of the message of Christ and the Gospel.

Scott has preached to hundreds of thousands over the last decade alone throughout the eastern United States and in countries overseas.

Scott is President of SNS Ministries, Inc., a non-profit organization dedicated to not only spreading the Gospel here in America, but also specifically reaching Muslim children in Bangladesh as well as fighting human trafficking here in the US.

Scott also works with the Georgia Baptist Mission Board in the area of Communications and helps churches with Internet outreach strategies.
